**6**  
CONTINENTS

**90**  
LOCATIONS

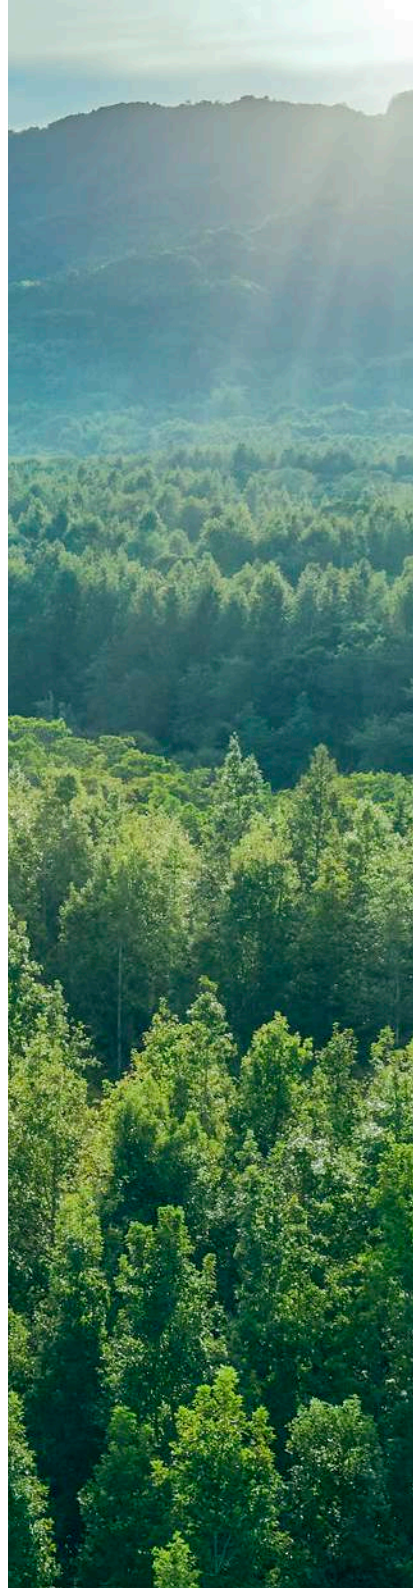

## Ellen MacArthur Foundation

Mainetti is a member of the Ellen MacArthur Foundation, working with the world's leading and most influential organizations to accelerate the global transition to a circular economy

## Carbon Neutral in our Operations

In 2012, we partnered with UK-based Carbon Footprint Ltd, and analyzed the energy we use. We implemented changes and reduced carbon emissions. We achieved Net Zero Carbon in 2021 and is committed to remaining Carbon Neutral from our 60th year forward

# QUALITY ASSURANCE

## ISO9001

Quality is at the heart of Mainetti. We manufacture in accordance with global standards to deliver the highest level of quality in the industry

## ISO 14001

Environmental sustainability is our responsibility. Policies and standards have been set up to minimize our impact to the environment

## ISO22000

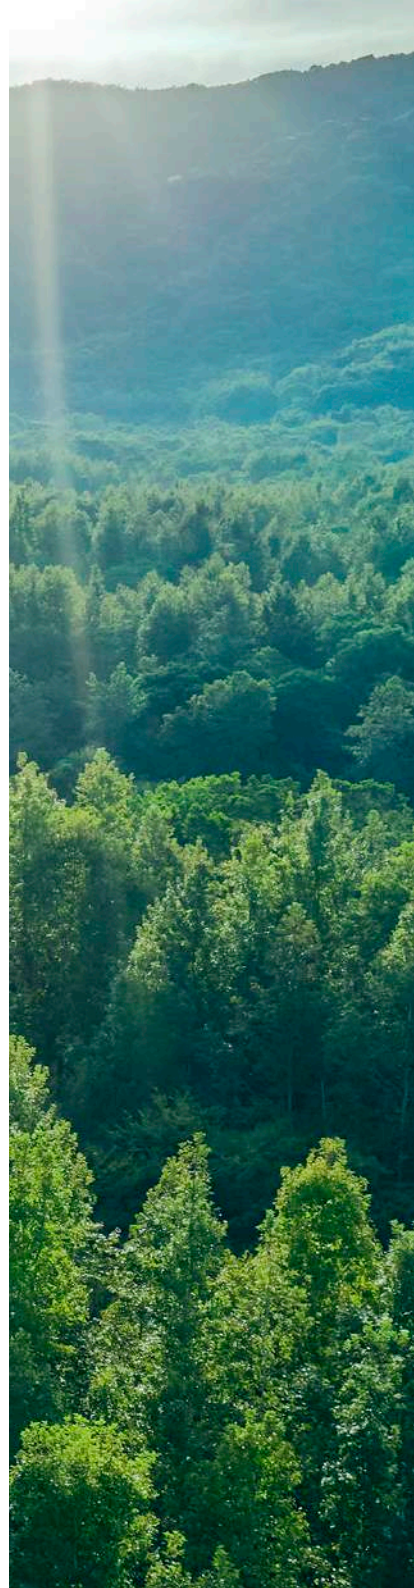

Where applicable, we utilize ISO22000 standards to document and control the production and handling of our Food & Beverage related offerings

## GRS / RCS

Full chain of custody verification, providing complete traceability and auditability of the recycled content

## EN13432

Standard for biodegradation of 90% of the materials in an industrial composting plant within 180 days
